

Pricing

We understand the frustration of reading through an entire website and still having no idea whether a patio cover is within your budget or not. Pictured below are two patio covers and price ranges that we hope will help you. Please keep in mind that the actual price of your patio cover will be based on your total square footage and any desired options. Our prices begin at \$1,500 and we will be happy to work with you to design a cover that fits within your budget.

Just imagine...a whole new "room" for your family without the enormous expense and months-long hassle of a room addition. Look at what you can have in just a matter of days...

In the \$4,000 range...A Temecula family is enjoying this solid patio cover which includes sophisticated round fluted columns, two ceiling fans and corbel ends. As you can see, this has truly added a new "room" to their home.

Before After

In the \$6,000 range...This Wildomar homeowner substantially increased the value of her home with this combination patio cover (solid in the middle with lattice on the ends) which runs the entire length of the home. This comfortable and relaxing outdoor living space includes a ceiling fan and corbel ends.
